

Delores Ruth Berinti

November 17, 1949 - June 4, 2023

Delores was born Delores Ruth Farron on November 17th, 1949, in Florida. She is a mother to three boys, Steve, Mike and Ali, a grandmother of eight and great-grandmother to three boys.

Dee or Dee Dee, as some of her family called her, LOVED staying busy and let's not forget she was an amazing Special Olympics coach. Dee worked for the City of Bellflower and ran multiple programs. for Special Olympics and Recreation. No matter how busy she was, she always had time for her family.

Dee had a smile that was contagious and will forever be in our hearts. She loved the Lord and taught us that Jesus was before anything. Dee will be missed by so many and especially her family.

“ *i am her son allens daughter. ive barely known dee for the 16 years she was alive in my life. she neglected me and my brother severly despite us being one of her many immediate grandchildren. i had not spoken to her since i was a young child when i was informed of her death. while she may have been present and loving to my paternal cousins, she was not for my or my brother. my paternal aunts and uncles have urked me to let go of my resentment for her as she was family, but i refuse. she was never there for me and she was genuinely hurtful to me by being absent. my name is kai, i am 18. dee died when i was 16 years old, while i was sad and mourned the grandmother i desperatley wanted growing up, i no longer care for her and would like my paternal family members to stop contacting me in attempts to reconcile.*
