“ You were a great young man with an even greater heart and a warm smile. You will always be remembered by those you loved and those who loved you. Rest in peace Manny.

“ I miss you been knowing you since I was 16 (7years) we had great times all the way to 2015 then I went away for 7 years and I come back to this. I just wanted to play again like if were kids at the playground. It tore my heart you had to leave us man. You will always be in my heart manny I tear up every time I see your photos or I when I hear your name. I'm sorry and may you rest in peace. I'll be here for your love ones. I told you the day I heard the news that you passed away to send me something a sign a signal that you're with the man up above and I did thank you. I know your watching love you bro
